

E-Health Fallstudienprojekt

- Introduction
- Prof. Dr. Dominik Boehler
- Goals
- Tech Challenge
- Timetable Tech Challenge
- Mode of Operation Tech Challenge
- Summary

Introduction

1. What do you?
2. What is your superpower?
3. What do you hate doing?
4. Whom do you know?

Prof. Dr. Dominik Boehler

- Management in Digital Healthcare
- TH Deggendorf - European Campus (90% Internationals)
- Digital Health Summit - digitalhealthsummit.de (Join now!)
- Previously at UnternehmerTUM (2000 Projects - 150 Start-ups)

Goals

- Provide a hands-on experience on Digital Healthcare
- Get real-world experience from a team project in a clinical setting
- Collaborate closely with students from Pfarrkirchen and Munich

Tech Challenge

- Pitch to Partners from Medicine or Robotics
- Find a good team (and maybe a startup idea)
- Be guided by experienced coaches
- Work remote and fully flexible

Timetable Tech Challenge

| Date | Time | Topic |
|---------------------|--------------------------|--|
| Tuesday, 19 October | 5:00 – 6:00pm CEST | Info Session for Students @UTUM Academy for Innovators https://unternehmertum-de.zoom.us/j/92105226982 PW: 012043 |
| Monday, 25 October | 6:00 – 8:00pm | Online Kick-Off |

Summary

- Stick with the tracks and your team
- Have fun, learn and develop yourself!
